We welcome you to visit The Barefoot Cafe for a weekday breakfast or lunch. You'll be glad you did. We offer a creative, fresh, and healthy menu that allows for you to spend as little or as much time away from the office as you'd like. Take a few moments to browse our menu and look at our weekly specials right here on our website. Whether it's a salad, a hot wrap, or a bowl of soup - there's going to be something on our menu that you'll want to try.

Although our restaurant is fairly new, we're not new to the local restaurant scene. With combined experience approaching nearly 50-years, we have been delighting Treasure Coast diners for quite a long time. And, we're so happy to be a part of the Vero Beach downtown business district.

If you're looking for some quiet time away from the office or if a big meeting won't allow you to get away, the Barefoot Cafe has the perfect solution. Stop in or have us deliver right to your office. In fact, we can even cater the meeting!

We look forward to adding you to our growing list of happy customers!
